

Procedure to insert information on the website

Requests for content to be included on the CESEM website should be sent to comunicacaocesem@fcsh.unl.pt

The following types of requests and the respective information to be sent are considered:

1. News [projects, outreach activities, artistic activities, calls, awards, other activities related to researchers and their research]

Link, if available
Image (poster, logo, photo, etc.)
Explanatory sentence, if necessary

News items (except calls for papers/conferences and CESEM information) are highlighted on the homepage for 15 days. After this period, the news is available for consultation in the "All news" section [see here].

2. Events [conferences/colloquia, workshops, seminars, concerts and other similar activities]

Title
Presentation of the event
Link
Date
Location
Organizers

3. Personal page [first time or updates to any item]

Name
Institutional email
NOVA Research Portal (hyperlink) OR Pólos (corresponding hyperlink in the institution)
